7. Review evidence of distortions (if any) to residents' survey from campaigning activity
8. Distribution of feedback by age group compared to age mix in the 2 parishes
9. Review of statistical results from the residents' survey and the infrastructure preferences shown therein
10. Review results for those aged 12 to 24. (two age group categories)
11. Committee members input concerning any very significant infrastructure suggestions made in the residents' free comments which are not covered by the survey or already in the SMBC plan
12. Recommendations for key infrastructure needed
13. Date of next meeting

**Andrew Burrow – Working Group Chairman**

Note this joint working group is not a formal committee of the two councils but has been established to help the councils with infrastructure issues arising from the proposed significant expansion of Balsall Common proposed within the draft Solihull Plan. Members of the public are permitted to attend for the meeting and at the Chairman's discretion voice opinions on items on the agenda
