1. GENERAL

- 1.1. These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders¹ and any individual financial regulations relating to contracts.
- 1.2. The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.
- 1.3. The council's accounting control systems must include measures:
 - for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;

 - Identifying the duties of officers.

- 1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.
- 1.6. *A significant breach of these Regulations by an employee could be grounds for a disciplinary "charge" of gross misconduct. However, an honest mistake declared at the earliest opportunity, would be welcomed because it will aid continuous improvement and would not normally be considered as an issue for any disciplinary action.*
- 1.7. Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute.
- 1.8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council. Balsall Parish Council has appointed its Clerk as RFO
- 1.9. The RFO;
 - acts under the policy direction of the council;
